

Title-Safety area. Do not exceed the boundaries.

Title template

Font size smaller than 30 points (in relation to this document size) is not recommended.

Aspect ratio: 1:1.66 (1828x1100 points).

(For aspect ratio 1:1.85 change document and black area height to 988 points.)

For both ratios use this 1:1.85 safety limit.

Please do not place objects outside the document (black area).

It is always best to send all titles in two versions:

One with types and fonts (don't forget to send the fonts you used)

One converted to outlines (paths)
